School Health Policies and Practices Questionnaire

Part 1

2014

A Study Supported by the Robert Wood Johnson Foundation
Instructions

Thank you for participating in this important study of school policies and practices. If your school includes grades higher than 5th grade, please answer the questions with regard to only the elementary school grades (K-5th) at your school. It may be helpful to consult with teachers or other staff at your school to assist you in answering some of the questions.

*Your answers are confidential. We will never release your name or your school’s name to the public.*

---

**Part 1 (this booklet)**

- Asks about characteristics of your school, including school practices and policies relevant to student health.

- A school administrator is best suited to answer Part 1.

**Part 2 (separate yellow section)**

- Asks about the foods and beverages available to students at your school.

- The food service manager at your school may be best suited to answer Part 2.

*Please answer all questions based on the 2013-2014 school year.*
Section A: General Characteristics

1. About how many students are enrolled in your school for the 2013-2014 year? 
   ___________ total # of enrolled students

2. What is the average 3rd grade class size (# students per classroom) at your school? 
   ___________ # of students per 3rd grade classroom

3. At what time do classes begin and end each day for elementary students? 
   Start time: __:___ AM    End time: __:___ PM
   HR     MINS

Section B: School Food Practices

1. The USDA’s Fresh Fruit and Vegetable Program (FFVP) provides reimbursement to selected elementary schools for providing fresh fruits and vegetables to students during the school day separately from the lunch or breakfast meal. Does your school participate in the FFVP?
   □ Yes    □ No    □ Don’t know

This section is about USDA reimbursable breakfast at your school.

2. Does your school participate in the USDA reimbursable School Breakfast Program?
   □ Yes   □ No   → Please go to #5 on the right side of this page

3. On a typical day, about how many students at your school eat the USDA reimbursable School Breakfast offered by your school…
   □ Don’t know
   ...at full price ___________ # students  □
   ...at reduced price ___________ # students  □
   ...for free ___________ # students  □

4. For USDA breakfast, what is the…
   ...full price charged for breakfast? $ ___________  
   (write 0 if breakfast is free for all students)
   ...reduced price charged for breakfast? $ ___________  
   (write 0 if breakfast is free for reduced-price eligible students)
   → Please go to #6 on the right side of this page

5. If your school does not participate in the USDA reimbursable School Breakfast Program, please indicate why not.
   PLEASE CHECK ALL THAT APPLY
   □ Too few eligible students
   □ Lack of interest among students/families
   □ Program too costly
   □ School starts too late to serve breakfast
   □ School lacks facilities to serve breakfast
   □ School lacks staff to serve breakfast
   □ Students don’t like the food
   □ Other – please explain:
   □ None of the above

This section is about USDA reimbursable lunch at your school.

6. Does your school participate in the USDA reimbursable National School Lunch Program?
   □ Yes    □ No   → Please go to #9

7. On a typical day, about how many students at your school eat the USDA-reimbursable lunch at your school…
   □ Don’t know
   ...at full price ___________ # students  □
   ...at reduced price ___________ # students  □
   ...for free ___________ # students  □

8. For USDA lunch, what is the…
   ...full price charged for lunch? $ ___________  
   (write 0 if lunch is free for all students)
   ...reduced price charged for lunch? $ ___________  
   (write 0 if lunch is free for reduced-price eligible students) 
   Please go to #10 on the next page

9. If your school does not participate in the USDA reimbursable National School Lunch Program, please indicate why not.
   PLEASE CHECK ALL THAT APPLY
   □ Too few eligible students
   □ Lack of interest among students/families
   □ Program too costly
   □ School lacks facilities to serve lunch
   □ School lacks staff to serve lunch 
   □ Students don’t like the food
   □ Other – please explain:
   □ None of the above
This section is about lunch-related practices at your school.

10. How long does each student have to eat lunch, not including recess? If lunch is combined with recess, please estimate how many minutes are generally set aside for lunch for 3rd grade students: ______________ minutes

11. Please indicate the timing of lunch in relation to mid-day recess, for 3rd grade students:

**PLEASE SELECT ONE ANSWER**
- [ ] 3rd grade students have lunch and then go directly out for recess
- [ ] 3rd grade students have recess and then come in for lunch
- [ ] 3rd grade students do not have recess directly prior to or after lunch
- [ ] Varies by class

In 2013 the USDA announced pending standards for foods and beverages sold to students through vending machines, school stores/snack bars, and á la carte at lunch (but not items sold in the USDA meals programs). These standards are likely to go into effect in the 2014-15 school year. This section asks about those “Smart Snacks in Schools” standards.

12. To what extent are you familiar with the USDA’s updated standards?
